My reason for starting MOTM was to attempt to encourage a feeling of community between the two villages and beyond, by means of a social event and to some small degree it has worked.

Although we had to cancel the last movie – due to snow, the turnout for the last few movies has been on the small side. The cost for this bi monthly event is not small and I am going to have to review its future after this month’s movie.

For those of you who know me well, know that I am very pro community and positive in everything I do, but I cannot continue to run MOTM if it means a continual financial loss. This type of project was not designed to make a huge profit but I at least have to break even. I will not make any decisions lightly and please don’t feel pressured to come just because of this notice, but I just felt I had to inform you of my thoughts. Claire x

Friday 26th March Quiz Night at 7.30pm

A Huge “Thank You” from Haiti & St. Vincent

Thank you to everyone who supported the Haiti and St. Vincent concert on Sunday 21st Feb. CLC Church (Christian Life Centre) Cowley Gospel Choir was amazing and we raised a staggering £450.60, which will be split between the two charities.

I think everyone enjoyed the event and we all left with a happy heart!

Message from the Lawrence Home Nursing Team

Are looking for a special photograph to become a Christmas card later this year and will be sold to make money for their worthy cause.

Maybe you have taken an excellent picture of a snow scene of late?

The closing date is 1st June and should be submitted as a photograph no bigger than 5x7 inches and sent to, Nikki Knott. Litchfield Farm. Enstone. With a SAE.

Regards
