

# TEW EDWARDIAN WEEKEND

The idea of the **Tew Edwardian Weekend**, which is provisionally scheduled for **19 – 21 June 2009**, is to put on a programme of activities that would show what life in Tew was like in 1909. The purpose is to raise enough money to secure the future of The Tew Centre and pay off its £50,000 debt.

There will be something for everyone to enjoy, and loads of activities to join or just watch. We need and welcome your views as well as your help and support. Please contact Jeanette Ramsden in Great Tew (07775 704521) and Peter Buckman in Little Tew (683677) and tell us what you think we should include.
